ABOUT COMPANY

Excellent Group of companies is a diversified conglomerate with a portfolio of businesses operating across various industries. With a strong presence in Abu dhabi, we have established ourselves as a competitive player in our respective markets.

History

Arabsat Transportation was established in the year 2008 at Abudhabi with a motive of offering transportation services to corporates and individual customers. Further, we expanded in the field of General Trading in the year 2012 and later in the field of automobile services , branding and car leasing.

We take a long term view of everything we do, and our dynamism and passion to expand have helped us achieve sustainable success in a short period

MISSION

Our mission is to become the UAE'S most preferred 'One stop supplier' and service provider of multi products and services by selling and implementing the highest standards of customer satisfaction the highest standards of customers satisfaction on a regional scale.
Absolute customer satisfaction is indeed the greatest goal and we genuinely committed to reaching this goal without compromising the principles and values that have been the source of our customers satisfaction and role of our existence.
Customer is the focus of everything we do, our top priority is to create value for our customers and to promptly respond to their expectations with a quality service understanding and effectively meeting our customers needs is fundamental to our services.

VALUES

- Integrity: Upholding the highest standards of ethics and transparency.
- Innovation: Embracing creativity and innovation to drive growth.
- Customer Focus: Delivering exceptional value and service to our customers.
- Sustainability: Promoting environmentally responsible and socially conscious practices.
- Collaboration: Fostering a culture of teamwork and partnership.

OUR SERVICES **BRANDING**

Your brand is more than just a logo, name or colour scheme. It's who you are as a ompany at a very fundamental level.

Branding dictates how customers feel about your business and when done right, can elicit an emotional response at every touch point. Business with strong brands retain loyal customers for the long run and have an easier the appealing to new audi-
.ences because they already know those companies stand for. This is all to say that if you aren't effectively branding your busi-
.ness online and elsewhere. You're putting some major barriers in the way of your marketing efforts
We help businesses establish new positions in the market through branding, we are doing everything including signages, Inter-
.nal & external signs, Direction Signs, glass stickers, Vehicle Branding, Vinyl Printing, Safety signs and UV Signs
